Largest Indianapolis-Area Biotechnology and Pharmaceutical Companies

Sentry Logistic Solutions is One of Indianapolis' Largest BioPharma Companies

Sentry Logistic Solutions is one of the few cGMP temperature-controlled storage and third party logistics (3PL) providers in the United States to exclusively serve the global pharmaceutical, biotechnology and health care industries.

Its facilities, infrastructure and services are specifically designed to meet the storage, logistic and distribution needs of pharma and biotech firms, health care providers and suppliers, contract research organizations (CROs), contract manufacturing organizations (CMOs), wholesalers, distributors and government entities.

The company offers ambient, refrigerated, frozen and ultra-low management for finished drug products, active pharmaceutical ingredients, bulk drug substances, temperature-sensitive biopharmaceutical compounds, validated packaging, consumer healthcare products and pharmaceutical samples.

Sentry's management team offers expertise in cold chain storage and logistics, quality assurance, pharmaceutical packaging and kitting development. Sentry also offers strategic solutions for domestic and international transportation and logistics as well as end-to-end import and export management.
